STONEMASTER[®] MASTERING THE LOOK AND FEEL OF NATURAL SANDSTONE AND GRANITE

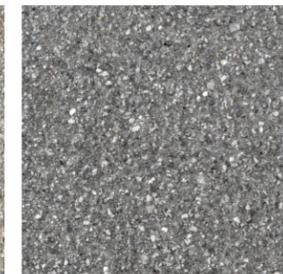

With its three buff shades replicating natural sandstone and three grey shades reminiscent of natural granite, StoneMaster is a superbly realistic paving solution. It boasts excellent environmental credentials too, thanks to the paving comprising up to 53% recycled and reclaimed materials. For a completely coordinated contemporary look around your whole house why not use complementary StoneMaster flag paving in your back garden. StoneMaster is also coated with Bradstone Surface Protection, to provide long-lasting resistance against stains such as oil, grease and moss.
